

NHS Class of '70 Reunion

Dear Editor,

The familiar saying, "time flies when you're having fun ", is certainly true, but I have to wonder if the old saying could stop after the first two words, "time flies!" It has been 40 years since the NHS Class of '70 students left their high School to begin new life experiences! Now, it is reunion time and we hope as many classmates as possible will join us at the Riverside Resort and Conference Centre n Mactaquac on July 24, 2010. Remind and friends you see to mail in their registration forms. Please make cheques payable to 40th NHS Reunion. It is meant to be a simple enjoyable time to get together once more. For more detail check the Facebook Group Nackawic High School, Class of 1970.
